

Eric Z. — V.P. of Construction and Environmental Concerns
Thorntons

For Thorntons, our commercial energy audit is proving to be a real eye-opener.

When Thorntons store #157 signed up for our commercial energy audit, Thorntons' Corporate thought it was a good idea. But when they saw how much money and energy that just one store could save, they realized that energy audits might be invaluable to all of their local stores—and their bottom line. To learn more about our commercial audits and other money-saving programs for businesses, visit lge-ku.com/eebiz.
